

DO YOU NEED TO CHANGE YOUR PART D PLAN?

October 15 through December 7, 2017 is the annual open enrollment period for Medicare Part D. During this time a person with Medicare Part D may join or switch to a different plan, or do nothing and stay with the plan they have.

Four important tips to consider during this open enrollment period.

- Know- know what your current plan covers, what it costs, whether it's convenient for you.
- Evaluate- compare 2017 cost with what is being offered for 2018.
- Choose- stay with your current plan or switch to a different plan. Apply for the Low Income Subsidy.
- Act- once the decision is made, act on it as soon as possible after October 15, 2017 and before December 7, 2017.
