

WE NEED YOU to Volunteer
with Senior Medicare Patrol!!

Senior Medicare Patrol recruits and trains volunteers to educate Medicare beneficiaries, family members and caregivers to actively protect themselves against fraud, errors, and abuse in the Medicare system. You can use your time and experience to help your peers protect their identity, understand Medicare Summary Notices, and avoid being tricked by scammers. Volunteers work one-on-one with beneficiaries, give presentations to groups and represent SMP at community events and health fairs. For more information, contact Kelli King at GRADD (1-800-928-9094 or 270-926-4433 or email kelliking@gradd.com).
