## What is TRIAD?

# Law Enforcement, Seniors, And Community Working Together

Our TRIAD consists of the law enforcement, senior service agencies, and older persons. These groups have combined forces to work together to reduce criminal victimization of the elderly. The TRIAD serves the counties of Daviess, Hancock, Henderson, McLean, Ohio, Union, and Webster.

The Green River Area of Kentucky has the distinction of developing and implementing the first regional TRIAD in the United States.
