Recreational Trail Grants Available

Applications have become available from the Department for Local Government for a federal grant opportunity: the Recreational Trails Program.

The Recreational Trail Program (RTP) assists for acquisition of easements, development and/or maintenance of recreational trails and trailhead facilities for both motorized and non-motorized use but will not, however, fund equipment such as gators, mowers or trucks. All trails that receive Federal Highway Administration (FHWA) funding must remain open to the public and maintained for perpetuity. The minimum grant request for RTP is \$5,000 and the maximum request is \$100,000. This is a matching reimbursement grant program. **The application will close March 31, 2017.**

The Green River Area Development District (GRADD) is a regional planning agency serving the communities of Daviess, Hancock, Henderson, McLean, Ohio, Union, and Webster counties. GRADD offers assistance in the fields of aging, health, and social services; community and economic development; transportation planning; and workforce development. Our mission is to afford local governments and citizens a regional forum to identify issues and opportunities, and to provide leadership in planning and implementing programs to improve the quality of life in our district.
