

GRADD Meetings and Events

**Tuesday
June 5
9:00 AM
GRADD Boardroom**

**Green River Area
Council on Aging**

**Guest Speaker: Jana Billingsley,
Western KY Assistive Technology Center**

Assistive Technology (AT) is defined as "any item, piece of equipment or product system, whether acquired commercially off the shelf, modified, or customized, that is used to increase, maintain, or improve the functional capabilities of individuals with disabilities." AT includes communication devices, adapted computer equipment, switches, environmental controls, seating, positioning, and mobility equipment, amplified phones, desktop and portable magnifiers, etc.

**Wednesday
June 27
8:00 AM
GRADD Boardroom**

**FEMA State Plan
Processing Review**

Meeting topics will include the planning process, summaries of overall commonwealth risk, resource capabilities, evaluations of past and current mitigation activity, and the potential for additional mitigation activity.

FEMA mitigation grant funding is available for state and local governments and certain private/non-profit organizations throughout the Commonwealth. Funding availability is directly linked to the state's plan and stakeholder participation.
