**Rosine Community Internet Center Ribbon Cutting**

Ohio County Judge Executive David Johnston (center) cuts the ribbon marking the official opening of the Rosine Community Internet Center on November 2.

Inside the Community Center there are four workstations and a printer for the general public. The Community Center is available 24 hours a day - 7 days a week with an Access Code, which is available by calling 1-877-472-3341 or visiting <http://signup.Rosinecc.org>

The Community Internet Center is located with the Fire Station in the Rosine KY Community Park. A grant from USDA Rural Development funded the project which also brings high-speed service to the citizens of Rosine and Horse Branch in Ohio County.

GRADD along with other Area Development Districts (ADD) across Kentucky participated in the Commonwealth of Kentucky Bowl, which was announced in September by Secretary of State Alison Lundergan Grimes. This statewide competition challenged Kentucky's local and county government offices to donate food and funds to aid Kentucky families suffering from hunger.

The goal for the competition which ran October 16 - 27, was to raise 400,000 pounds of food which has the equivalent of \$50,000.

The winner of the food raising competition will get to take back to their ADD the Commonwealth Food Bowl. (pictured below)
