Senior Day Out

Breakfast begins at 8:30 a.m. with a special appearance from Buddy Holly. The day will be filled with games and door prizes as well as informative speakers. One of our topics this year is "Senior Self Defense". We will have a Senior Fall Fashion show as well as entertainment by singer McKenzie Bell, and the band Shrimp 'n' Grits will be closing out the day. As always, it will be a great day so mark your calendars.

Governor Matt Bevin held a community forum at Brescia University in Owensboro on Wednesday, August 22nd, to discuss economic development and other key initiatives in the Commonwealth. Pictured above is former GRADD staff and now the Governor's Press Secretary Woody Maglinger, Webster County Judge/Executive Steve Henry and GRADD staff Debbie James, Jodi Rafferty, Kim Wells, and Jill Gray.

In August, ConnectGRADD added high-speed coverage to the Elba tower in northwestern McLean County, serving that area, plus parts of eastern Henderson County and western Daviess County. Internet packages with download speeds capable of carrying multiple video streams are now available there, with no limits on usage.

Improvements to speeds and services are ongoing throughout the area, with more site upgrades scheduled to continue in September. To check on upgraded speeds in your area, call Q-Wireless at 877-472-3341.
