

The Owensboro-Daviess County Metropolitan Planning Organization (MPO) will hold a pair of public hearings seeking comment on two new public documents – their new Participation Plan, as well as their Transportation Improvement Program (TIP).

The Participation Plan explains all the documents the MPO is responsible for producing, the timeline/frequency they are written, and how the MPO goes about publicizing them and seeking public comment.

The TIP outlines federal transportation projects taking place in the MPO area over the next six years. It contains a description of the project, a breakdown of the cost and funding, and timelines for the work.

The first meeting will be held at 4:30 p.m., December 18, 2018, in the Commission Chambers on the fourth floor of the Owensboro City Hall, 101 E. Fourth Street.

The second meeting will be held in conjunction with the regular Daviess County Fiscal Court meeting at 5:00 p.m., December 20, 2018, in the Daviess County Courthouse, 212 St. Ann Street.

For more information, contact Tom Lovett, GRADD's MPO Coordinator at (270) 926-4433 or tomlovett@gradd.com.
