**Tuesday
April 24**

9:00 AM - 2:00 PM**Dangers of Social Media**

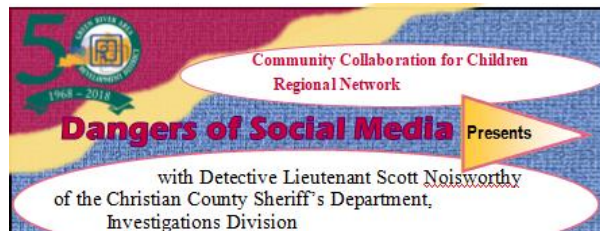

Parents, Grandparents, and guardians, are still trying to sort out tweets, hashtags, and status updates? Do you ever wonder if there is more going on than text messaging friends? Are you interested in ways to use social media and digital devices to influence your children in a positive way?

Detective Lieutenant Scott Noisworthy will present information on the often hidden dangers of social media, as well as the potential for positive impact it can have on kids today.

Certificate of Attendance to be Provided

Lunch Provided

Register by contacting Libby Watson 270-926-4433

**ConnectGRADD Update:**

High-speed service has now been deployed and released in and around the Windward Heights subdivision between Hawesville and Lewisport, and area previously unserved by ConnectGRADD. Upgrades have also begun on the Tunnel Hill water tank in Henderson County and high-speed services have been released in some areas near that site, plus new upgrades in the area near U.S. 41 just south of Henderson, bringing high-speed service to the Happy Acres neighborhood and areas nearby, between Henderson and Robards.

Further upgrades continue across the network to increase available speeds to as much as 12M and make high-definition video streaming available to rural customers.

Feed Seniors Now Food Drive

Nearly one in six senior citizens is at risk of hunger-representing an 88 percent increase over the past decade-according to the Meals on Wheels Association of America.

To combat troubling statistics like these, local agencies are once again partnering to sponsor the "Feed Seniors Now" food drive, running until - **April 13**. Groceries will be delivered by community volunteers on April 25, corresponding with Volunteer Appreciation Month.

Independence Bank, Comfort Keepers, Kentucky Legend® (a division of Specialty Foods Group, LLC), and Green River Area Development District (GRADD) are seeking to rally community support to feed low-income individuals in Daviess, Hancock, Henderson, McLean, Ohio, and Webster Counties.

MPO Survey

The Owensboro-Daviess County MPO would like your help in gathering data on walking in our community. The MPO has created a 10-question survey open to anyone in Owensboro or Daviess County. The survey will take less than two minutes to complete.

Take the Survey.
