Committee Owensboro City Hall Room 406

Wednesday Feb 27 9:00 AM Green River Regional Transportation
Committee

ConnectGRADD continues to expand its high-speed coverage across the network, adding upgraded equipment this month in the Habit area of Daviess County and north of Slaughters in Webster County for increased capacity in both areas.

Additionally, ConnectGRADD Inc. has committed to reinvest \$50,000 this year towards upgrading and expanding high-speed service, with initial plans to do the same in 2020 and 2021. This is a reinvestment of service fees collected and will be spread out across all seven counties in the GRADD area. This reinvestment is combined with a commitment by Q-Wireless, ConnectGRADD's service provider, to match or exceed that funding on equipment upgrades to increase speeds and coverage across the network.

All upgrades being performed on the network are to provide services capable of streaming video, replacing the legacy equipment installed on the ConnectGRADD network beginning in 2007.

January Events

On January 9, 2019 approximately 30 newly elected officials gathered at the GRADD office for the Newly Elected Officials Orientation. These officials were either newly elected or re-elected and include Mayors, Judge/Executives, Council Members, Circuit Clerks and even Sheriffs and Property Value Administrators. Jiten Shah and the Associate Directors of the GRADD office informed elected officials of all services GRADD has to offer each of their communities. You can watch the meeting on the [GRADD YouTube channel](#).

On January 24, 2019 Dr. Debra Bungler, psychiatrist for Owensboro Health Regional Hospital - Inpatient Behavioral Health Unit, address the Mental Health & Aging Coalition. You can watch her presentation on the [GRADD YouTube channel](#).
