**Friday**  
**July 20**  
**1:00 PM**  
**GRADD Boardroom**  
**AmeriCorps Member Recruitment**

There will be an informational meeting regarding AmeriCorps/Senior Connections on Friday July 20th at 1:00 pm at the GRADD office. This is for people who want to find out more about the program and apply for positions with the program. Individuals from age 18 to 99 are eligible to apply.

There are 38 positions to fill by Sept 1st in the region. Applications may be picked up at the front desk at GRADD or they will be available at the meeting. Those selected as members in the program will work full time in community service for a local non-profit or public agency. Members earn a living allowance of \$13,732 and an education award for \$5,820 on completion of the program. Attend the meeting to learn all of the details.

All are welcome.

**Thursday**  
**July 26**  
**10:00 AM**  
**GRADD Boardroom**  
**Mental Health & Aging Coalition**

**Guest Speaker:**  
**Marcie Timmerman, Executive Director of Mental Health America of Kentucky**

Mr. Timmerman will explain the programs of Mental Health America Kentucky and describe free resources available through Mental Health America Kentucky. The Mission of Mental Health America Kentucky is to improve the accessibility and quality of mental health and substance use services through advocacy with local, state and federal policy-makers, education of the public, and promotion of research-based practices among providers.

Mental Health of America Kentucky pursues its mission: Supported by a culturally and geographically diverse board of directors; following research into the prevention and

treatment of mental illness; partnering with other mental health organizations, and through affiliation with the national association, Mental Health America.

ConnectGRADD has now expanded high-speed coverage in southern Daviess County, northeastern McLean County and northwestern Ohio County by installing new equipment at more than three times the height of the old gear at the WBKR tower on Highway 140.

Multiple video stream capable packages are now offered throughout that area, both to customers who were previously limited to slower speeds and to new areas where service has never before been available. Similar upgrades have been made at the Windy Hill water tank in southeastern Ohio County, and work continues on other sites across the region. To check on upgraded speeds in your area, call Q-Wireless at 877-472-3341.

## 50th Anniversary Celebration
