Metropolitan Planning Organization
Transportation Improvement Program FY 2023-2028
Administrative Modification #13**

ACTION: The Owensboro-Daviess County Metropolitan Planning Organization hereby modifies the FY 2023-2028 Transportation Improvement Program (TIP). This modification reflects the addition of a project to add sharrow routes to multiple streets.

ITEM NO.: n/a

DESCRIPTION: This Project will add sharrows on W. 20th Street, Ford Ave., Oxford Ave., Bittel Road, Hanning Lane, Castlen St., W. Fifth St., Cravens Ave., and Omega St.

SCOPE OF WORK: Bicycle Accommodation/Facilities

PHASE: C

TYPE OF FUND: Carbon Reduction Program

FY: 2026

AMOUNT: \$17,500

OTHER INFORMATION: This project adds specific funding for a Bicycle Accommodation project, which is identified in the Grouped Projects table of the TIP; therefore, a TIP Amendment is not necessary. A listing of Grouped Projects has been included in the TIP, allowing planning process stakeholders and the public to be informed of the types of potential projects that may be added to the TIP and Metropolitan Transportation Plan (MTP) by Administrative Modification. TIP actions for these types of projects will not require additional public review. The addition of specific projects from the Grouped Projects Table involves a commitment of additional funding for the projects by the project sponsor (City of Owensboro). The additional funding maintains financial constraint of the TIP and MTP documents, and no additional financial constraint analysis by the MPO is needed.

The relevant 2023-2028 tables have been modified and are included with this document.

Approved
