

**OWENSBORO-DAVIESS COUNTY
METROPOLITAN PLANNING ORGANIZATION**

ANNUAL LISTING OF OBLIGATED PROJECTS

FY 2021

Prepared by the
OWENSBORO-DAVIESS COUNTY MPO
300 GRADD Way
Owensboro, KY 42301

<https://www.gradd.com/local-government/transportation/owensboro-daviess-county-mpo/>

This report has been prepared in cooperation with or with financial assistance from all or several of the following public entities: Federal Transit Administration, Federal Highway Administration, Kentucky Transportation Cabinet, City of Owensboro, Kentucky, and Davies County, Kentucky. This financial assistance notwithstanding, the contents of this report do not reflect the official views or policies of the funding agencies. Accuracy of the information presented herein is the responsibility of the Green River Area Development District, based upon project information submitted by sponsoring agencies.

Federal transportation planning regulations require that all Metropolitan Planning Organizations (MPO) prepare an annual listing of projects, including investments in pedestrian walkways and bicycle transportation facilities, for which Federal funds have been obligated in the preceding year. This listing shall be published or otherwise made available by the cooperative effort of the State, transit operator and MPO for public review. The listing shall be consistent with the funding categories identified in each metropolitan Transportation Improvement Program (TIP).

The tables that follow provide information on transportation projects that were obligated for spending using Federal funds in Fiscal Year 2021 for the Owensboro-Daviess County MPO area. The obligated amount represents the Federal government's financial commitment to fund the Federal share of a project's cost. An obligated project has been authorized by a Federal agency. Obligated funding does not infer a project's complete cost or completion, but rather that the specific project has committed Federal funds. For informational purposes, obligated State-funded transportation projects are also included in this report.

The information provided in this document is consistent with how projects are listed in the Owensboro-Daviess County TIP – projects are shown with a project item number, route, beginning and ending mile points, length of project, project description and funding amounts. Federal funding sources are also included for each obligated project listed in this document.

**OWENSBORO-DAVIESS COUNTY MPO
